

How to rename bookmarked pages:

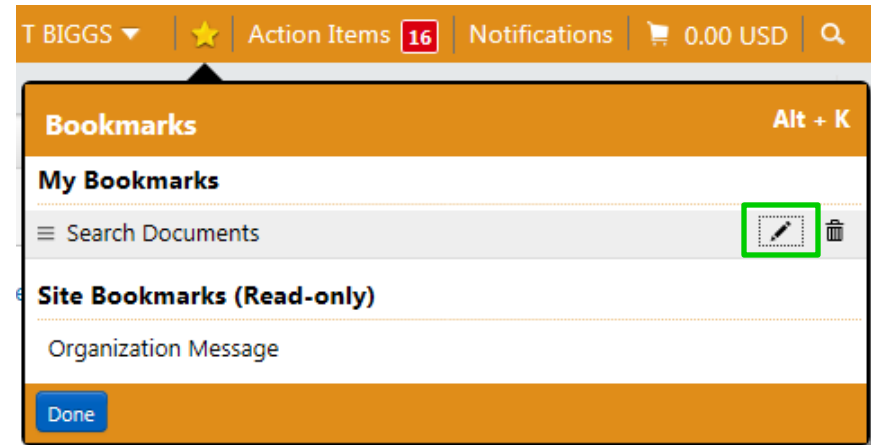

1. Locate the page you wish to bookmark.
2. Click the ★ icon located in the upper right of the screen next to the user name/profile.

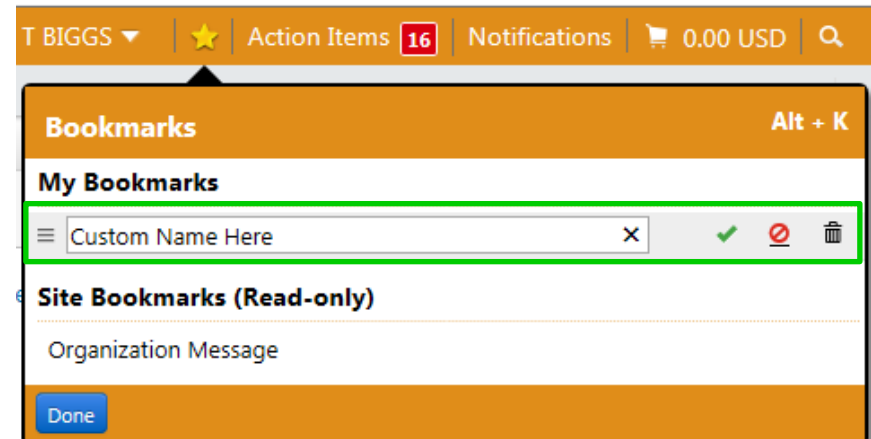

3. Click on the “Bookmark this page” link in the lower right corner of the action box.
4. Select the “Edit” button in the lower left corner of the action box.

5. Click the pencil icon to open the free form field to customize the page name.

6. Create the custom name and click on the green check mark to save the new name.

7. You have successfully renamed your bookmarked page.
