QUESTION 1:
1. I understood the electrical will be completed by a contractor, not to be in pricing of my bid. Correct?
2. Same with the sliding gate??

ANSWER 1:
Yes, Elite is the electrical contractor and they will do all electrical work.

The gate is part of the pumps bid package.

QUESTION 2:
I understood in the walk-thru that we can plug the drain pipes that are pouring into the sump and that we will be able to leave those closed off for the duration of the project, is that correct?

ANSWER 2:
Yes, you can plug the drains and unplug after the installation is tested and complete.

QUESTION 3:
We will be allowed (for safety) to cone off a small area where care turn in and out just south of the work area?

ANSWER 3:
You can cone off the area of work but you must allow for traffic to access the basement level in and out. I advise putting signs and a person to watch for traffic.
